## DESCRIPTION

The New Golden Mile becomes the host of one of Marbella's most elegant luxury concept. An unprecedented development of 13 unique villas where Avant-Garde design marks a turning point for connoisseurs of fine living. In a charming atmosphere, bathed in the light of the Mediterranean and blessed with the most beautiful sunsets, perfect natural elements combine to create dream villas that reach perfection. A dream location, just a few steps from the sea and close to one of the last authentic Andalusian neighbourhoods. Between Puerto Banus and Estepona is the town of Cancelada which belongs to the municipality of Estepona, which has retained its essential Spanish charm. It represents the 'true Andalusia' where you can enjoy the tradition and warmth of the South of Spain. It has in its surroundings, numerous bars and restaurants serving Mediterranean cuisine, shops and all types of services, as well as being surrounded by nature and the best golf courses. A stunning villa in all its spaces, allowing the magnificent breeze of the Mediterranean to travel to every corner of the home and bring well-being to its owner. Featuring a crystal wrap design for maximum light, to reflect freedom and fill the magnificent interior of Silk Villas with life. The utmost care has been taken in the design of these villas to create an exquisite work of art, to appeal to those with a discerning taste. If you change your mind or need your money back we let you activate our 'Buy-back Guarantee' during five years after the purchase. This means that your purchase is totally risk-free and as such, a real unique investment opportunity together with providing you with an exceptional dream home by the Mediterranean, with you being involved in the construction from the very beginning. Contact us today to know more about this stunning project.
