## DESCRIPTION

The project is made up of a combination of plots, where these fabulous dream villas will be built, within an exclusive gated resort complex, with extended facilities. This fascinating location, within Real de La Quinta, borders the natural environment, declared by UNESCO as a Biosphere Reserve. The plots are located near the recreational facilities of the Real de La Quinta resort: lake, beach, golf club, tennis, spa and horse riding center. This project offers a unique opportunity to acquire a luxurious villa with panoramic sea views, and equally importantly, a great investment with high revaluation potential in the coming 10 years. The residence will be a gated and completely private community, with armed security guards, offering double security and peace of mind for these exclusive properties. If you change your mind or need your money back we let you activate our 'Buy-back Guarantee' during five years after the purchase. This means that your purchase is totally risk-free and optimal for your investment of your vacation home in Spain, with you being involved in the construction from the very beginning.
